

MANY PEOPLE REPORT BIG GAINS IN WEIGHT

THOUSANDS OF THIN, FRAIL
PEOPLE RESTORED TO
HEALTH BY TANLAC

MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell
What Celebrated Medicine Has
Done for Them.

ONE of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the very large number of well-known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well-known people of unquestioned integrity make statement after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross Street, Little Rock, Ark., whose statement appears below:

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—could not move any part of my body and just lay there in bed for five months, not knowing anything or anybody. I was brought home in October, 1913 and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty-two pounds. I now weigh one hundred and sixty-two—an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies.

Another remarkable case was that of Mr. John M. Crabtree, a general merchant of Five Mile Station A., Dallas, Texas:

"I have actually gained thirty-four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree. "I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac, I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds, making an actual gain of thirty-four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street Vicksburg, in speaking of his experiences with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty-five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac, have gained twenty-five pounds and I feel like a new man."

NEW BEEHIVE FACTORY

Are you a bee-keeper? Then you will be interested in the fact that J. W. Jordan has started a beehive factory near the depot. He has everything in but the engine and that is on the way. When it arrives work will begin at once.

Mr. Jordan will make hives, raise queen bees and handle bee supplies. Later on he will ship honey.

His son, V. A. Jordan, is a bee fancier also and, as such, grew that great bee pleasing and honey furnishing plant known as sweet clover on his place last year. He brought some to town last year, the shortest stalks of which measured twelve and one-half feet, there being seven stalks on one stool. This was on

MRS. CHAS. PEDEN GAINS 27 POUNDS

WAS TWICE EXAMINED AND
TOLD OPERATION WOULD
BE HER ONLY HOPE

"I HAVE just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 550 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operation and called in my sister to tell her good-bye, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day as I returned from the consultation room, I thought of what she had said, and as I had heard so much about Tanlac, I decided to try it and got a bottle.

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

Old-Timer Engineer Talks

Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty-five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Baas St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Julietta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Sauquoit Ave., Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 25 pounds; W. S. Haskill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Burdett St., Omaha, Neb., who gained 35 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds and many other too numerous to mention.

Tanlac is sold in Harboursville by Herndon & Payne. Adv.

poor ground, three years new ground. He says, and he knows what he is talking about for he has raised it, that while our land lacks lime, yet abundant sweet clover, good for bees and beasts, can be raised here inculcated as follows:—Get carpenter's glue, add two-thirds sugar, hot water till thoroughly dissolved, and use enough of the mixture to wet every seed which is required to sow each acre. The seed is then dried and where possible, a cyclone seeder is used to broadcast it.

Why not get some seed and try it? Get a few hives and raise bees. They are the busiest workers on a farm and give an excellent financial account of themselves.

We welcome the new factory. Watch Knox County grow!

EARL MAYHEW IS BUSY

General Outline For Work Of Agent
Of Clay County.

1.—To organize a County Agricultural Board consisting of from 12 to 20 members of the most influential and progressive citizens of the county. This board to direct the work and co-operate in carrying out the program. The Board is to meet once a month and hear the monthly report of the County Agent and make plans to further carry out the general program.

2.—To organize at least 20 Junior Agricultural Clubs. Each club to elect its own Leader, President and Secretary. When this has been done the University of Kentucky will grant the club a charter and commission the Leader. Along with the Junior Agricultural Clubs as many Community Clubs as possible will be organized. The purpose of the Community Club is primarily the development of the agriculture of a community, but it may work along any line that is for the betterment of the community. Club members have already been enrolled for these 20 organizations.

3.—To promote the organization of a County Farm Bureau. The purpose of this Bureau is to develop the agriculture of the county and to put it on a more profitable basis.

4.—To carry on a Better Sires—Better Livestock campaign. This is in line with the National Better Sires Better Livestock campaign, the purpose of which is to improve the live stock of the country by the use of better Pure Bred sires. At the present time there is little pure bred stock of the better class in this county. This campaign will induce farmers to use good pure sires to grade up and improve their stock.

5.—To put on a Home Improvement campaign. An effort will be made to reach every home in the county and try to make it a more beautiful and comfortable place to live in. This is to be carried out largely thru the schools.

6.—To push the Poultry Standardization work. Poultry raising is one of the most important farm enterprises of this county. Instruction will be given on better feeding, housing, culling and marketing methods of chickens, geese, turkeys and ducks. An infertile egg demonstration will be held for the country merchant at the end of the hatching season to teach them how to save the market eggs. Culling the Slackers hen demonstrations will be held in the summer.

7.—To direct three tankage feeding demonstrations in the county to get the farmers to supplement corn with tankage.

8.—To get farmers to grow more tobacco. Tobacco is an important cash crop for Clay County. The farmers will be taught better methods of handling it. A Tobacco Grading demonstration will be held early in the fall.

9.—To conduct the following contests in co-operation with the County Superintendent of Schools:—

A.—1000 bushel corn contest among the Corn Club boys. 10 boys growing an acre each, in competition with any 10 club boys of other communities of the county. \$25.00 in gold to go to the community that wins.

B.—Ton of pork contest among the Pig Club members, the boys of one community competing with the boys of all the other communities.

A Kentucky Woman's Testimony

Lexington, Ky.—"Dr. Pierce's Anuric Tablets I consider the most reliable medicine one can take for bladder weakness or kidney ailments. I had been suffering with bladder weakness and disordered kidneys. I would have to get up several times during the night to relieve myself. I also had severe pains across my kidneys. I saw 'Anuric' (anti-uric acid) advertised and decided to try it. The results have been very satisfactory to me. My bladder trouble has left me, I can sleep all night without getting up, my kidneys have become active and normal and are able to throw off the poisonous matter in the proper way."—MRS. MARY SIMMS, 210 York St.

"Anuric" is bound to give immediate results as it is many times more potent than lithia, in ridding the impure blood of its poisons by way of the kidneys. It can be obtained at almost any drug store, by simply asking for Dr. Pierce's Anuric for kidneys or backache. It will overcome such conditions as rheumatism, dropped eyelids, cold extremities, swelling and burning urine and sleeplessness due to constant arising from bed at night.

If you wish to give "Anuric" a trial send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for a trial package, also write for free confidential medical advice.

Flomingsburg, Ky.—"I find I can give as honest testimonial as to the value of Dr. Pierce's Anuric Tablets. They are all that is claimed for them in every way. I was a sufferer from kidney trouble for three years and 'Anuric' (anti-uric acid) cured me, so I know just what it is. I cannot say enough for this medicine. I will answer all who write to me."—ED. FORER, Box 140, Route 3.
